Subject: call back

Good Day,

Please contact Quantiah Miller on 070 549 2023, she called in last month to arrange a collection for surrender and the available date she was given was for the 16th of October, She did say she will in the meantime try and see if she can get the mom and pups to the SPCA, however she hasn't had any luck getting transport as it is very difficult to travel with the mom and the pups, She mentioned the pups is now very active and climbs through her gate, with a very busy busy road she fears they might get knocked by a car,

Kind Regards,
Leorica.
