Follow-Up Date:	2026-10-05
Comments:	NEW COMPLAINT RECEIVE INSP 237443. PLEASE INSPECT AS PER EMAIL RECEIVED: Please keep me anonymous. I dont think the animals are being treated cruelly. I'm just not sure where to log a call for this case. I've visited a family member living opposite this resident for quitea while. The brown dog in the video is limping and he's always biting himself like he has flees or skin condition and it's not being treated. There's a younger pup black and white that is tied on a rope by his kennel. You can see he wants to pull loose. Its not on a track runner. He was never tied before. Not sure reason why now. I think the owners needs to be educated and a follow up done on these animals. I've uploaded 2 videos. Please have someone inspect and ensure the animals are ok.
