Type:	CASE DISCUSSION NOTE
Follow-Up Date:	
Comments:	Area survey conducted to locate reported informal settlements containing dogs and puppies. Observations & Findings: Site Inspection: Inspected the area along the railway line, but no animals or informal settlements were located. Interagency Consultation: Contacted local City Improvement District (CID) personnel regarding informal settlements in the area. CID confirmed that law enforcement had previously removed the informal settlements, and the occupants relocated outside the immediate vicinity. Conclusion & Recommendation: No animals or informal settlements currently exist at the reported location . Case may be closed pending further detailed location details or updated information regarding the animals' whereabouts.
