Comments: Good evening, Petronesia

Thank you so much for contacting the Cape of Good Hope SPCA.

Please note that you advised that the owner would like to surrender however the number provided was for a gentleman that indicated his not the owner, we had asked the guy to call us back when he reached the owner but did not do so from what I can see.

I will send the inspector to the property seeing that we have no contact details for the owner to verify that they want to surrender and the inspector will have to uplift the dog should the owners agree to surrender.

Kind regards,
Teah
