Comments:	Dear Magdalene, I would like to provide you with an update regarding this case. We have attended the property on three separate occasions ; however, the dogs were not at the property during any of these visits. The owner indicated that they wished to surrender the dogs, but the dogs were roaming and could not be located at the time. Today, we were able to locate and secure the dogs, and they are now in our care. The complainant was present at the time and is aware that the dogs have been taken into our care. Kind regards, Louise
