Comments:	Darling Street. Cape Town. So I saw 2 dogs. 1 black and 1 brown. The brown one you can see just had puppies. Very swollen. It is in shacks that was put up. They made a fire there etc. The dogs running around. I am very confused. Spca sent me to Animal Control. Then Animal Control sent me back to Spca. The Nakita said she will het back to me. I have no reference nr. Which means this has been hanging the whole month for September
