FORMAL INSPECTOR FIELD REPORT - INVESTIGATION UPDATE

Case No: INSP237403

Date & Time: 09 October 2026 @ 09h10

Address: Cornfield Construction, Govan Mbeki Road, Philippi, Cape Town, Western Cape

Inspector: Jeffrey Mfini

1. ATTENDANCE & OBSERVATIONS

- At approximately 09h05 I contacted the complainant telephonically to establish if she managed to obtain further regarding the location of the dogs.
- Complainant advised that she went back to the site, however she was not allowed to enter the premises.
- Complainant further believes that the dogs are being used at night and that before 08h00 in the morning they are normally removed off site.
- Complainant also advised that there is a new construction that is being built next to the given address where the dogs were previously seen.

2. ACTION TAKEN

- Complainant contacted for additional information - No access granted to complainant on return visit.
- Site to be monitored for new construction next to reported address.

3. WAY FORWARD

- Follow-up to be conducted on Monday - Attempt inspection at Cornfield Construction site and adjacent new construction site.
- Attempt to locate dogs during operational hours - early morning before 08h00 and/or night shift.

Case Status: NO ACCESS / DOGS REMOVED OFF SITE BEFORE 08H00 PER COMPLAINANT - FOLLOW-UP MONDAY

Inspector: Jeffrey Mfini
