Subject: 12 Bokmakierie, Joostenbergvlakte

Good Morning

I got a call from a resident this morning in Joostenbergvlakte.

Owner of doggie passed away 3 years ago. Ever since the person that took over the dog has been keeping doggie in the braai room. The resident was there yesterday and said the situation is not good. Doggie does not get up anymore or tail wagging has stopped.

Please can you investigate this situation, the lady that reported was crying a lot as this has been going on for 3 years now.

12 Bokmakiere
Joostenbergvlakte

Gate is at the end of road with a big red number 12 on gate.
