Subject: Primrose Park Primary School, Athlone, Pitbull

Hi Inspectors

A homeless man in our community who has a dog that he does take care of and we assist, mentioned to me now that on Friday he saw and picked up a Pitbull that was suffering. It has a knife wound across it's neck and knife cuts/slashes all over the legs. He said he paid R100 to get it off of the person. And took it to PDSA. It wobbles when it walks he said. I have not called PDSA as it was too late (closed) when he told me.

PDSA do know this man as he has brought in his own dog before when she was sick and I've taken his dog in to be spayed too.

He said there are other dogs there but they are hiding them. Using them for dog fights.

Address: He said he found the dog at a TENT that is on the side of Primrose Primary School. And that the people are there. I looked up the address, 41 Ohio Avenue, Athlone is where the school is at.

Please may you investigate.

Thank you!
Jane
