Subject: Concern

Good day

I'm writing to report regarding the welfare of a dog at 76 Dieman Road Grassy Park. The property is a blue house situated on the corner and the dog is being kept at the back of the property.

The dog is quite large but appears to be kept in a very small confined area. I am concerned that the space may not be adequate for the animal and would appreciate it if an inspector could visit the property to assess the dogs living conditions, it is a large brown dog.

Thank you for your assistance

Kind Regards
Kylee Jacobs
