| Inspector:   | TREVOR RODNEY      |

---

|                 |                                                                                                                                                                                     |
|-----------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Type:           | CALL RECORD - MADE                                                                                                                                                                  |
| Follow-Up Date: | 2026-10-07                                                                                                                                                                          |
| Comments:       | Call went straight to voicemail. Control to send an sms to complainant. (At the time of my inspection yesterday, I drove the area and did not hear any dog/puppy barking or crying) |
