Subject: Re: CoGH SPCA: Animal abuse

The location is at no12 Frank Way, Ottery and my sister told me this morn that she saw the owner of the dog kicking it outside in the open cause I think the dog ran outside and he kicked the dog about 3-4 times in the gut and it looks like the dog was kicked unconscious as she explained to me cause the owner afterwards picked up the dog and carried the dog into the house. Everybody outside saw what happened as she told me but didn't do anything about it but I would also like to stay anonymous for safety purposes. The owners name is Damian by the way?

Good day,

Thank you for contacting the Cape of Good Hope SPCA. We appreciate your care and concern for animals.

Where there is an animal welfare concern and contraventions in terms of the Animals Protection Act 71 of 1962, we will gladly investigate the matter. However, we require a physical location of where the animal can be found (exact address and/or GPS location and/or directions).

Without an exact location, we are unfortunately unable to investigate the matter.

Please provide us with the exact location and a brief discription as to what your complaint is about so we can dispatch an Inspector to investigate the mentioned concerns.

We look forward to receiving further information from you so we can attend to the matter and assist the animals.

Thank you for caring.

Kind regards
Teah
