Hi there and yes I saw how he kicked the puppy this morning however I don't know if the puppy is ok or not and the address is 12 Frank way ottery, they keep the dogs at the back of the yard cuz I always hear them barking, it was really sad to see this as I am an animal lover and that brought me to tears this morning, if he can do that to the one what can he not do to the others, also he might have an issue if use do investigate the incident and he might deny it as well, I prefer to stay anonymous in the matter if that is ok

Good day,

Thank you for contacting the Cape of Good Hope SPCA. We appreciate your care and concern for animals.

Where there is an animal welfare concern and contraventions in terms of the Animals Protection Act 71 of 1962, we will gladly investigate the matter. However, we require a physical location of where the animal can be found (exact address and/or GPS location and/or directions).

Without an exact location, we are unfortunately unable to investigate the matter.

Please provide us with the exact location and confirm if you are the eye witness that saw the owner kick the puppy so we can dispatch an Inspector to investigate the mentioned concerns.

We look forward to receiving further information from you so we can attend to the matter and assist the animals.

Thank you for caring.

Kind regards,
Teah

Good morning I saw something today I am pretty sure that falls under animal cruelty if I kick a puppy and they just lay there and don't want to get up again, it brought tears to my eyes cuz I'm an animal lover, but I believe people like that should not own animals, what do I do in a situation like that where I see an owner do that to his dog which is only a puppy, is it animal cruelty or do I stay out of those people's business, cuz I think it's wrong
