Good day, Sihle

Thank you for contacting the Cape of Good Hope SPCA. We appreciate your care and concern for animals.

Where there is an animal welfare concern and contraventions in terms of the Animals Protection Act 71 of 1962, we will gladly investigate the matter. However, we require a physical location of where the animal can be found (exact address and/or GPS location and/or directions).

Without an exact location, we are unfortunately unable to investigate the matter.

Please provide us with the exact location so we can dispatch an Inspector to investigate the mentioned concerns.

We look forward to receiving further information from you so we can attend to the matter and assist the animals.

Thank you for caring.

Kind regards
Peace

Subject: SICK DOG

Good morning

I'm here to make a report about my neighbours dog he's suffering from something that looks like eczema and it look quite painful and very itchy as it always scratches itself .

They'd like the dog to be treated and taken away , I'll attach the pictures below and this has been going on for a while and it's getting worse it's around the private part .
