Subject: Re: COGH SPCA: Please help this animals

Good Day

I'm sending a complain again about my neighbour dogs. My neighbour is not feeding his dogs so they jump into my yard andnock on my door for food, the dog poops in my yard I can't enter my yard because I'm scared of the dog. This is unacceptable because he needs to feed his dogs and clean his yard. Please assist as this situation is getting serious. Please find pictures attached.
