Subject: Re: Anonymous Welfare Check Request - Dog Chained Long-Term - 96 5th Avenue, Lotus River

Dear SPCA Inspectorate,

I would like to request a welfare check for a dog at *96 5th Avenue, Lotus River.*

I have been told by family that a dog at this address has been tied up / chained continuously for a number of years. The reason given to my mother is that the dog is aggressive.

I have not been to the property myself and I do not have photographic proof, but I am very concerned that being chained long-term is causing the dog to suffer. This address belongs to my mother's distant family.

I would be grateful if an inspector could visit the property to assess the dog's living conditions, shelter, water, and general welfare, and advise the owners on proper care if needed, in terms of the Animals Protection Act.

I would prefer to remain anonymous due to the family connection, but you may contact me on this email if you need more information.

Thank you so much for the work you do and for looking into this.

Kind regards,
