Comments: Good day,

I spoke to a lady from your team a few minutes ago regarding a reported sick and neglected dog in Elsie's River.

My husband is a Metro Police officer working in the area and was alerted to the situation by a concerned member of the public who is worried about the dog's welfare.

I asked my husband whether he could obtain a photo or video of the dog, but unfortunately, this was not possible as the dog is on private property with no access.

Address: 71 6th Street, Elsie's River.

Should you require any further information, you are welcome to contact my husband directly on 065 898 7546. If you are unable to reach him immediately, you can also contact me on 068 112 5581.

We sincerely hope that someone from your team will be able to visit the property and assess the dog's condition and overall wellbeing as soon as possible.

Thank you.
