CHECKLISTS

General Report Comments: An inspection was attempted at the property following reports that a dog had been returned to the site.
Access & Initial Contact:
Property Entry: The owner (Anique) did not answer telephone calls. Access to the estate was provided by the complainant.
Occupant Interaction: Met with Amal, the owner's sister. She stated that Anique is currently in Dubai until Saturday and claimed an arrangement was made for an SPCA visit on Sunday. This claim was corrected, as no such arrangement existed.
Inspection & Refusal of Entry:
Dog Presence: Amal claimed the dog is currently with a cousin but will return on Saturday. However, prior video evidence submitted by the complainant indicates the dog has already been returned to the property.
Denial of Access: Requests to inspect the premises or view the backyard over the perimeter wall were explicitly denied by Amal.
Next Steps:
Pending an official affidavit from the complainant confirming the dog's presence on the property, a warrant should be requested on the grounds of denial of access.
