**CHECKLISTS**

General Report Comments: An inspection was attempted at the property, but the main gates were locked, and no response was received after knocking and shouting.  
Observations & Assessment:  
Animals: Two dogs were heard behind an interior side gate on the property . Due to the gate obstruction, a direct visual assessment of their condition could not be performed.  
Contact Attempts: Called the owner by phone, but received no answer.  
Case Status & Recommendations:  
Context: This inspection was intended as a follow-up to previous veterinary treatment provided to the dogs.  
Follow-Up: Recommended that the area inspector attempt to contact and locate the owner during the week to conduct the necessary inspection.
