CHECKLISTS

General Report Comments: An inspection was conducted on-site; knocked and called out, but received no answer at the property.
Observations & Findings:
Front Yard: Visible from the front gate; clean and free of overgrown vegetation, feces, and debris. A bowl of clean water was available on-site.
Telephonic Contact: Spoke to the owner via telephone. He confirmed he was away from home with the dogs and would return later. Requested photographic proof of the cleaned backyard.
Photographic Verification: The owner subsequently provided photos of the backyard, confirming that all overgrown vegetation, feces, and dirt had been thoroughly cleaned.
Conclusion & Recommendation:
Previous inspections confirmed that the dogs are in fair body condition with access to clean water and adequate shelter.
As all environmental hygiene directives and welfare concerns have been fully complied with, this case is closed with No Further Action (NFA) required.
