Ethan showed us the three dogs and Christian, who were all free-roaming and had access to the property. All animals appeared to be in good body condition and had access to fresh drinking water. Ethan showed us the food he was providing for the animals and explained that he had received assistance from a community member who conducted animal welfare outreach initiatives, including deworming and parasite control. No animal welfare concerns were identified during the inspection. The case is therefore marked as NFA (No Further Action).
