General Report Comments: I found the address. Muneeb told me that his sister, Nuraan was not at home, but they wanted to surrender the dog as the dog had an upset stomach. He confirmed that Nuraan did not have a contact number, so I could not call her to confirm if she wanted to surrender the dog.

At the time of my inspection, the dog was not on the property, it was running in the road.

Dog signed over for surrender by Muneeb.

I think we should keep the dog for 7 days if possible, in case the owner does come to claim/does not want to surrender the dog
