1. PERSON RESPONSIBLE

- Name: Justin Adams - ID No: Not available - Cell: 068 237 8456
- Wife: Shaakirah Adams - Cell: 061 499 1749
- Person Met on Property: Shaakirah Adams

2. NATURE OF COMPLAINT

As per WhatsApp: Dog on a thick heavy short chain, no food, no water.

3. ATTENDANCE & OBSERVATIONS

On my arrival onto the property I met with Shaakirah Adams. She allowed me onto the property.

However, the dog was no longer on the property. The dog with a chain was no longer on the property.

The children told me that the dog was taken by another car, but they were unable to tell me which car it was.

The wife then told me that the dog was taken by the original owner to another property, but she was unable to give me more details about that property.

I told the wife that she will have to request the address from her husband as she claimed that her husband is the one who knows the house. I informed her that we need to be provided with the new address as we need to do a follow-up on the dog.

I further explained that if they conceal the dog, we will have to apply Section 8(4) whereby they will be seen as defeating the ends of justice by hiding the dog in question.

I tried to call Justin on his cellphone number, but the phone rang with no answer. The wife informed me that he will not be able to answer the phone because he is working at a restaurant as a chef.

On the property there was a cat that appears to be in fair condition. It is a male cat, grey and white in colour, adult cat.

4. ACTION TAKEN

Warning Issued and signed / accepted by Shaakirah Adams:

You are hereby warned to:

1. Provide your dog with adequate food on a daily basis. Puppy food is recommended as your dog appears to be thin based on the pictures that were taken by Inspector Ntungal when he was on the property.

1. As per warning that was issued by Inspector Ntungele to take the dog to the vet for adequate treatment, we did not receive proof that the dog was taken to the vet. You need to take the dog to the vet for adequate treatment within 24 hours and provide the SPCA with proof from the vet.

1. We also need to be provided with the new address where the dog was moved to within 24 hours.

5. CASE STATUS

Open - Follow-up inspection to be conducted by Monday to establish where the dog was taken to.
