1. PERSON RESPONSIBLE

- Owner Name: Suresh Moonsamy
- ID No: 871230 5351 084
- Cell No: 0631024891
- Person Met: Owner (Same owner as previous case still pending in court)

2. ANIMALS FOUND ON PROPERTY - TOTAL: 7

- 2 x Adult Chickens
- 5 x Chicks
- Housed: Confined in Wendy house.

3. ATTENDANCE & OBSERVATIONS

Upon my arrival onto the property, I met with the owner of the animals. It is the same person that we previously opened a case against, and that case is still pending in court.

I informed him of the nature of the complaint, then he wanted to know who the complainant is. I told him that I do not have the complainant's details.

He then allowed me onto the property. He claimed that last week there were SPCA inspectors at the property who said everything was okay except for roosters that were kept on the property that he was not allowed to keep. He further mentioned that he slaughtered them after those inspectors told him they were not allowed.

I observed two adult chickens and five chicks that were confined in a Wendy house . The Wendy house was not in bad condition. There was water provided to the chickens but there was no food.

4. ACTION TAKEN

Warning No. 15116 issued as follows:

1. To provide the chickens with adequate nutritious food on a daily basis .
2. Food to be available for inspection on follow-up.

Warning was signed and accepted by Suresh Moonsamy .
