General Report Comments: The correct address is number 7 where the dog is kept, the address given was the complainants property. I looked from the complainants property and observed 2 x female pitbull type dog brown female that appeared

- *Body Condition: 1/9 - SEVERELY EMACIATED*
- From side view: All ribs visible counting
- Spine like a saw - every vertebra sticking up
- Hip bones sharp, skull prominent

Sad, sunken eyes, ears down, nose dirty.

- *Health:* Weak, standing on broken boards, legs shaking, nails long.

- *Environment - VERY DANGEROUS & FILTHY:*

- Dog standing on top of *broken roof / kennel / rubbish pile* - unsafe, could fall, nails could get caught

- Surrounding yard is a *scrap yard / dump*:

- Piles of scrap metal, wood, old fridges, plastic crates (red crates left side)
- White PVC gutters, loose wires, ropes tied across
- Old bath tubs / fibreglass shells
- Overgrown weeds
- No clean area to lie
- No water bowl visible, no food bowl
- No proper kennel - dog is forced to stand on rubbish
- Ground is full of hazards - dog could get cut, injured

> Animal confined in hazardous environment consisting of scrap material, broken building material, metal, wood and household waste. No adequate shelter, no food, no water observed. Dog standing on unstable broken structure made of wood

I issued a warning stating that the owner should within 13hours;

1. Seek immediate veterinary attention for the dog without delays
2. Clean and well maintain living environment
3. Contact the cape of goodhope spca inspectorate department regarding the animals on the property.

If there is no contact made or compliance we need to apply for a warrant and remove the dog as neighbors informed me that this dog has been alone for almost 2months and we can not allow the dog to suffer unnecessary
