WATER AVAILABLE	Yes
ADEQUATE SHELTER AVAILABLE	Yes
ADEQUATE SPACE AVAILABLE	Yes
CLEAN LIVING ENVIRONMENT	Yes
ANIMALS IN GOOD CONDITION	Yes
VETERINARY PROBLEMS / HEALTH CO	No
CONFINEMENT OF ANIMALS	Free roaming - in property

General Report Comments: An inspection was conducted at an informal settlement located at the corner of Darling Street and Canterbury Street following a consultation with the complainant.
The following observations, resident interactions, and future action items were recorded:
Settlement Walkthrough & Resident Inquiries:
Community Outreach: Conducted a walkthrough of the settlement and queried residents regarding domestic animals. Most residents reported owning no dogs or cats.
Animal Population Context: A resident noted that animal numbers in the area are low due to regular law enforcement operations that relocate individuals and animals from the busy roadway.
Reported Dog & Puppies Inquiry: Inquired about a previously reported female dog with puppies seen a month prior. Residents had no knowledge of these animals, suggesting they may have belonged to a temporary visitor or someone passing through.
Animal Health & Living Conditions:
Inspection: Located a resident named John who owns two female dogs.
Findings: Both female dogs are sterilized, in fair body condition, free-roaming within the immediate living area, and provided with adequate shelter at the owner's residence.
Community Liaison & Future Planning:
Outreach Cooperation: Spoke with John regarding a potential animal welfare outreach initiative across CBD informal settlements. John agreed to act as a community contact to assist with information distribution once confirmed.
Case Outcome: No further immediate action can be taken on the original complaint due to a lack of additional lead information.
Recommendation: Proposal to be discussed with management for a comprehensive, single-day outreach operation targeting all CBD-area informal settlements. This case can be closed though, as this particular settlement wont require an outreach of its own

ACTIONS

NO ACTION REQUIRED
