Upon arrival, I met with two women who introduced themselves as Zeenat Johaar and Galiema Rossie (worker). They informed me that they do not use dogs for security.

They allowed me to check the entire property. I searched the premises thoroughly and did not see any dogs or cages.

I then moved out of the property in order to call the complainant for more information. At approximately 10h46, I called the complainant 2 times on the given cellphone 084 775 3709 - at first it went to voicemail. I tried for a third time, it rang and she answered.
