General Report Comments: Upon arrival at approximately 15H43 i met with Edward who identified himself as the owner of the animals on the property , i explained the nature of the complaint to him he says he was in joburg for 3years but his been back now for a while

He took me to his braai room , he explained that he keeps his rottweiler separate from the other dogs cause they fight , it has the inside of his house and the other back area to move in

I observed on large adult female Rottweiler tan and black in color alert and energetic i observed no sickness or injuries it had access to water , it had access to adequate shelter and it had access to a clean living environment

I observed a large x breed female also Tan and black in color by the name of Roxy it was alert and energetic no sickness or injuries observed it has access to adequate food, water , shelter and clean living environment

I observed another dog Toga also a female X breed Tan and black in color free from sickness or any injury ,with access to adequate food, water, shelter and clean living environment

I observed the fourth dog a small female x breed black in color free from injury or sickness has access to adequate food, water , shelter and clean living environment

He also mentioned he has a guy that stays on the property that cleans daily
For now im finalizing the case
