General Report Comments: I had to make contact with Jessica, as the incorrect address was given. She explained to me that the dog resides opposite number 2 Rhodes Close.

Correct address is 49 Elsenberg Avenue.

At the time of my inspection, the dog was free roaming on the property. The dog had access to a huge car port and the living area was clean. The dog had access to food and water and appeared to be in a fair condition.

Mr Du Plessis told me that the dog is only tied up when they have to pull out or pull in the vehicle.

No welfare concerns noted.

Case can be closed.
