3. NATURE OF COMPLAINT

Video received of Cedric carrying dog by skin and smacking against wall. Complainant sent videos.

4. ATTENDANCE & OBSERVATIONS

Before attending property, I tried many times to call the complainant to obtain statement based on videos sent to SPCA. Cellphone rang with no answer. I therefore attended property as normal GLC complaint.

On arrival I met with both owners.

Nikki: Owned by Cedric. Unsterilised Jack Russell female. Observed abscess between hind legs and visible injuries. This is the dog seen on video being carried by its skin and smacked against wall by Cedric. Cedric also owns birds. Birds cages had heavy droppings, dirty.

I advised Cedric dog needs vet examination. Told him I will take dogs in for sterilization and our vets will check abscess. He agreed.

Loki: Owned by Tamsyn Van Rooyen (18 months old unsterilised male). Dog appeared limping on hind legs. According to owner, dog was beaten with broomstick by Cedric.

Both dogs taken in for vet check-up, X-ray and sterilization:

- Nikki - Admission No: G46603

- Loki - Admission No: G46602

On arrival at SPCA, I made note requesting X-ray to be done on both dogs.

While doing paperwork at SPCA, I managed to speak with complainant. Told her we tried calling many times. She apologized and confirmed she saw missed calls. She agreed to provide statement. Need to follow up for statement.

5. ACTION TAKEN - WARNING NO. 15115 ISSUED

1. To pick up / remove all bird droppings from cages and keep living environment clean at all times.

Dogs impounded for vet examination and sterilization.

6. CONCERNS / WAY FORWARD

- Discuss way forward on Monday regarding both dogs.

- Owner of Loki (Tamsyn) will be moving out of house soon with Loki.

- Concern for Nikki as owner Cedric is alleged animal abuser - video evidence of abuse. Decision on

return of dog to be made after vet report and X-rays and statement.

Case Status: Open - Dogs G46602 & G46603. Awaiting X-ray results, vet report, sterilization and complainant statement. Follow-up Monday.
