1. Person Responsible

- Owner Name: Evan Kleinsmidt - ID No: 951030 5139 080 - Cell: 061 686 5585
- Other Person Met: Sister Allreasha and other family members

2. Animals Found on Property

- 1 x Dog - Details to be confirmed - Reported sick with wound on side of stomach.

3. Attendance & Observations

Upon my arrival onto the property I was stopped by the family members before I even told them the nature of complaint.

They told me that they are the ones who approached one of the ladies who resides on the road. Her name is Samantha. They claimed that they requested her to call the SPCA on behalf of them as they have a dog that appears to be sick.

They claimed that the dog went missing for a few days and came back with a wound on the side of the stomach and the dog appears to be injured.

They requested me to take the dog. Unfortunately the dog was not on the property. The dog was roaming around in the area. We searched for the dog, we couldn't find the dog on the property.

4. Action Taken

I then left the SPCA contact numbers for them to contact us as soon as the dog comes back home .

I also told them to confine the dog so that when we come we will find the dog on the property. They agreed.

Follow-up inspection to be conducted tomorrow.
