4. ATTENDANCE & OBSERVATIONS - UPDATED PER VOICE NOTE

- Upon arrival met owner Bafana Mgogodlana who allowed me onto property.
- Owner claimed that before the dogs were roaming freely into the garage. However the garage was demolished by the law enforcement officers after he installed the new roof. Law enforcement thought he was extending into the property.
- He was instructed by law enforcement officers to go to law enforcement offices (Athlone/OTR) to request permit to build on that land. He then went to the offices to obtain the letter.
- So now he has a letter to again build the garage where his dogs will be kept and they will be roaming freely.
- He promised within 7 days he will put up the garage and his dogs will roam freely in there.
