CHECKLISTS

General Report Comments: The owner of the property allowwd me access to the property and then told me that she does not have any animals on the property. She allowed me into the backyard ans I did not see any signs of dogs on the property. She had a gardener working in her garden at the time of my inspection.

She suggested that I try towards the other end of Otto Meyer as there was another number 32. The turned oit to be 32 Glenhaven Avenue but I did not see any animals or evidence of animals on this property as the fencw allowed me to see what was in the backyard.

I then called the complainant, who told me that it was number 35, close to Maxmillian Road as that it was a cream color house.

I was not able to find the property. I was not able to call again as I had a 14h00 meeting/inspection in Tygerdal.

Control to please confirm the corre r details from the complainant.
