| CONFINEMENT OF ANIMALS          | Caged - adequate space | No space for the animals at the shop. |

General Report Comments:

I was examining the cage when I was approached by an elderly gentleman with grey hair, and he introduced himself as Manin Abrahams. He told me that he was from Port Elizabeth and that he was down here with his two dogs and adopted son and wife. He told me that his wife had had a heart attack a few days ago and that she was in Grootte Schuur hospital.

He also told me that he had bought the trailer to bring the dogs down from Port Elizabeth, as he did not have anyone to look after them back home. He also showed me the traffic fine he had received in Knysna, for driving with an unlicensed trailer.

He told me and showed me that he was living in his seven-seater Toyota SUV.

Both dogs were in the kennel that was inside the trailer which measured 240cm x 150cm. The dogs had access to water and did not appear to be in any distress or out of breath, in the hot weather. He told me that his son walks the dogs morning and evening. You can see that the dogs are well looked after.

At night the dogs are allowed to roaming the property of the business at 9 de wet road.

I did not observe any welfare concerns with either of the animals and their kennel was adequate enough for both of them.

I will follow up on the dogs next week.
