

LETTER OF SUPPORT FROM A NEIGHBOUR

To Whom It May Concern,

We are Brian and Wendy Wilson, and we live next door to the owner of the male dachshund, Cosmo, in question. We are writing this letter simply to share my own experience as their neighbour and to support the owner's request to keep him intact.

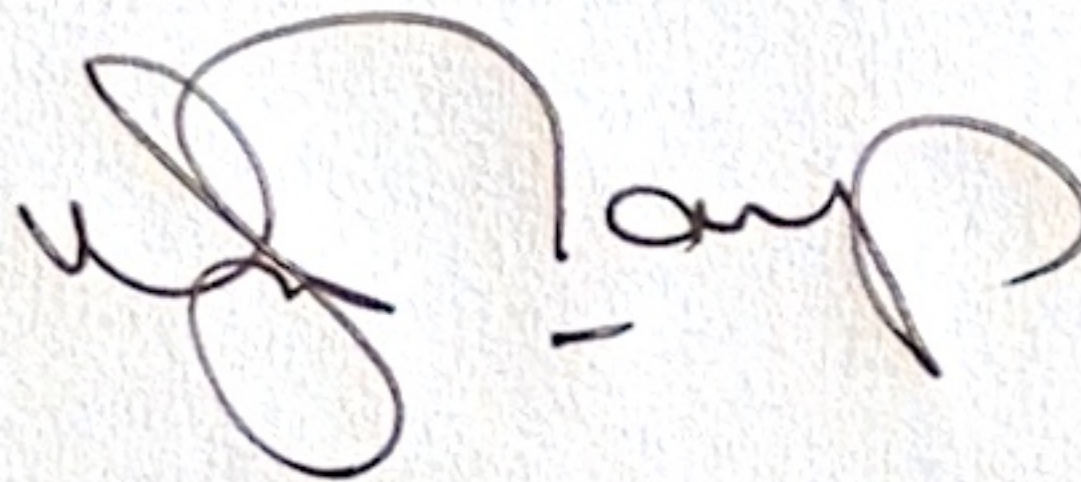

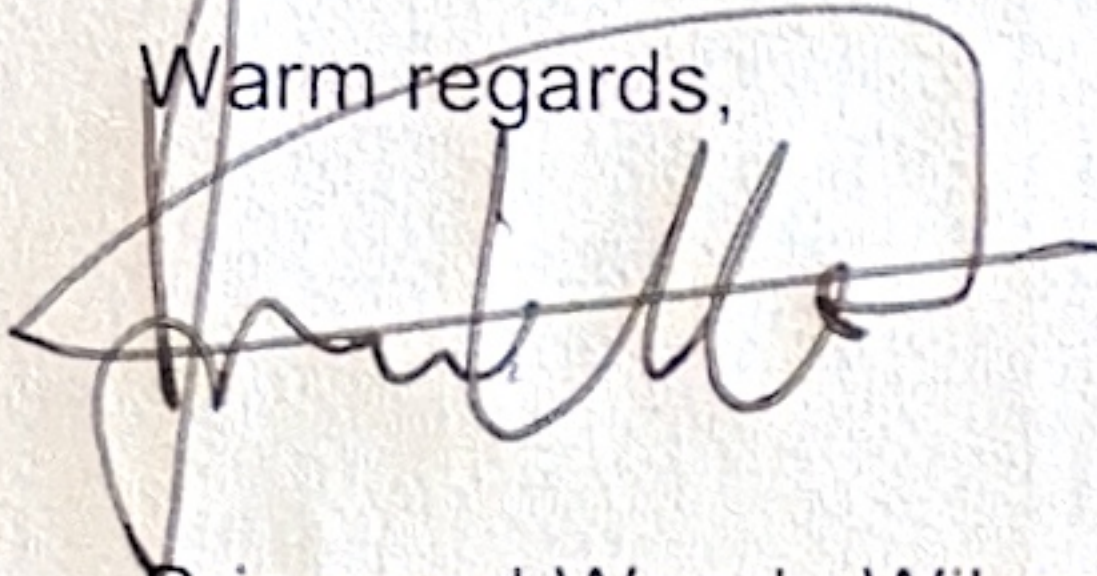

We see this little dog often, and he has always been an absolute pleasure to live next to. He is gentle, friendly, and very well-mannered. He doesn't bark excessively, he doesn't wander, and he has never caused any disturbance to us or to anyone else in the area. In fact, he is a really calmest and well behaved dog.

His owner takes great care of him and is a responsible, attentive person who clearly prioritises his wellbeing. She keeps their property secure, manages him properly, and ensures he is never a nuisance to the neighbourhood. As someone who sees her and the dog regularly, we can confidently say that he is in a safe and caring home.

Because of this, we have no concerns whatsoever about him remaining intact, and we fully support her request. We believe she will continue to manage him in the same responsible and considerate way she always have.

If you need any further information from us, we are happy to assist.

Warm regards,

Brian and Wendy Wilson
