

LETTER OF SUPPORT FROM ADJACENT NEIGHBOUR

10 January 2026

To Whom It May Concern,

I am writing this letter in support of my neighbour's request to keep Cosmo, her male dachshund, intact. As someone who lives adjacent to the property and interacts with the dog regularly, I can confirm that he is exceptionally well-behaved and has never been a nuisance.

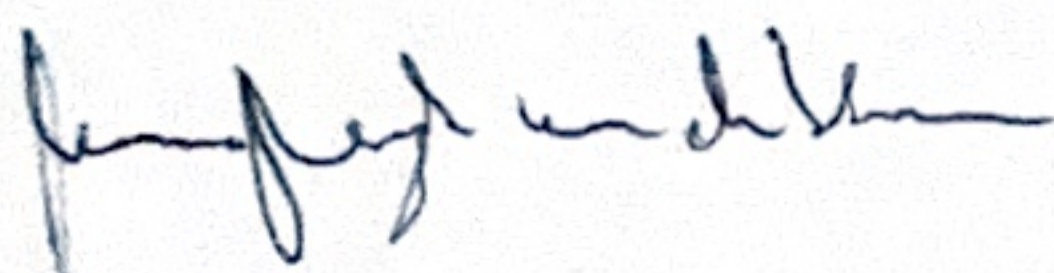

The dog is consistently calm, friendly, and well-supervised. I have never observed excessive barking, roaming, aggression, or any behaviour that would disturb neighbouring households. He is kept securely on the property, receives proper care, and is always handled responsibly.

In addition, the owner is attentive, diligent, and clearly committed to maintaining full control and responsible management of her pet. It is evident that she prioritises the well-being of the dog as well as the peace and order of the neighbourhood.

For these reasons, I fully support her request to keep her male dachshund intact. I have complete confidence that he will continue to pose no inconvenience or disturbance to anyone in our community.

Should further information be required, I am happy to be contacted.

Sincerely,

A handwritten signature in black ink, appearing to read 'Remco van der Werwen', with a stylized, cursive script.
