Inspector:	RUDOLPH PHILANDER
Type:	CASE DISCUSSION NOTE
Follow-Up Date:	2026-02-19
Comments:	Inspector to return to the property for the following reasons: - Chains need to be measured so that we can know how long it is and justify why it is adequate. If the chains is not at least 5m then the owner needs to place them on running chains. - I also see there is more space on the property for running chains which will provide the animals with even more space. - Only 2 huskies seen on static chains but inspector mentions 3 - was this a typo?
