Comments: PLEASE SEE NEW COMPLAINT RECEIVED FROM THE SAME COMPLAINANT - Good day Nikita.I have sent these photos to show Rufus who has been bound to this cage for more than 6 months.At the time of the photo I was told she can only come out on a walk once the construction workers had left the premises. Keeping in mind these workers used to be on site till around 5 weekends too.My concerns were raised to security company as well as SPCA. Now Rufus has a handler who is only on night duty but he walks the dog and takes him back to cage. My concern is this dog has not been given sufficient space to exercise or given a break from this cage. I look forward to hearing from you.
