| Comments:       | <p>I didn't have time to go to this matter, after reviewing the Cadet Inspector Abrahams' notes, it appears he visited the property and found the dogs in fair condition with shelter provided.</p> <p>The only issue was no water was visible from the gate. The complainant seems to be a resident on the property, so we can use their access to enter, bypassing the need for the owners. I would like the complaint to be more specific as what are the concerns onto the dogs.</p> <p>We may do follow up on this case during the week.</p> |
