Type:	CASE DISCUSSION NOTE
Follow-Up Date:	
Comments:	As per my discussion with Rudi, as there is no welfare concerns currently we will have to close this case. However, moving forward myself as the area inspector will do regular checkups on the area, providing assistance for the animals and offering sterilization . Please note we cannot force sterilization and we have already had our own LE team deal with sterilization here, so furthermore we cannot assist more than than just offering sterilization for the people here . We will continue doing regular check ins, but this case can be closed. NFA
