Good Day
This is Inspector Abrahams from the Cape of Good Hope SPCA. I had conducted an inspection of the security dogs attached to the sites surrounding the Cape Town Port, in Paarden Eiland, Cape Town. On both occasions I was not able to see the PAPA license which the dogs would be listed on. Despite assurances that the PAPA license would be sent to us, we are yet to receive it yet. I have left 2 notices requesting this license and would humbly request once again that it be sent to us as soon as possible. Failure to do so may result in us having to take further action. Please find attached the warning stating such request.
Regards.
M. Yaaseen Abrahams
