Good morning Chumisa and PI Dyason

I trust you are well.

We wish to provide you with an update regarding the above matter .

A follow-up inspection was conducted by our team. The owner has complied with the requirements, and the female dog has since been sterilised by the SPCA. There are accordingly no unsterilised dogs remaining on the property. The puppies have also been removed.

At the time of the inspection, no contraventions of the Animals Protection Act 71 of 1962 or the City of Cape Town's By-Laws, including the Animal Keeping By-Law, were observed.

Both the SPCA matter and the Law Enforcement: Animal Control Unit auxiliary matter have therefore been finalised and closed.

Kindly note that any future contraventions of the City's By-Laws should be reported directly to the City's Control Room on 021 480 7700. Any concerns relating to animal cruelty may be reported to the SPCA Control Room on 021 700 4158/9.

Thanking you.

Kind regards

Chief Inspector Jaco Pieterse
