Follow-Up Date:	2026-02-20
Comments:	Apon arrival at the property, we met with the owner (Jade), who came out and talk to us, we couldn't enter the premises due to rubbish that was all over the yard as they were busy cleaning up. Upon follow up she informed us they are still busy with the cleaning and some of the animals were given away however we observed 4x adult dogs and 5 puppies and we informed her that it was still too much to have on a same property, she then informed us that they are busy fencing next door where other animals are going to be kept, all 4 adults were not sterilized and she indicated that SPCA Inspector promised to help out with some of the animals to be vaccinated and sterilized. A compliance notice of 7days(extension)for all animal keeping by-law contraventions has been issued.
