Comments:	Reginal Naidoo (074 604 2904) came to the office and explained that he is currently undergoing daily chemotherapy treatment, which is why he is not at home. I informed him that it is important for the inspector to gain access to the property in order to assess the situation and address the issues reported. Mr. Naidoo has confirmed that he will make himself available on Friday morning. He has requested that the inspector please prioritise an early morning visit, as he needs to attend his treatment afterwards.
