Subject: Re: Kittens dumped Wiener Street, Goodwood, Cape Town.

Dear colleagues

We trust this email finds you well.

We have located the kittens that were dumped. Unfortunately, one of them were driven over and died. The other 2 are currently in our care. We are doing further investigations to find the details of the person who drove the car and the passenger, so that we can hold them accountable. A case has been logged, INSP227407, and I am busy investigating it. We will provide you with further feedback once we have new information.

Thanking you in advance.

Kind regards

Insp. Rudolph Philander
