Subject: Re: CoGH SPCA : Cooper - English Bulldog death

Hi there,

after hearing the first visit feedback, please note that in terms of visiting the premises and the owners not being present, they will always do that send the Gardner to come and say that, they run a 24/7 daycare facility with overnight stays so they there all the time especially if you see there vehicles parked inside the driveway.

Warm regards,
Tamryn Prins 2026-02-05 13:08
