STATES UNDER OATH:

I declare I was the person who recorded
the footage of two men abusing goats
at Imhoff Farm on 9th March 2026.
When I spoke to the men, they said they
were not doing anything wrong. Meaning
they abuse goats all the time. Maybe these
men also have pets and abuse them too,
Can this also be investigated? The men dragged
one ^{white} goat by its leg - it cried in pain. The
brown goat was dragged by its horn - also crying
in pain.

I know and understand the content of this statement.
I have no objections of taking the prescribed oath.
I consider the prescribed oath to be binding on my conscience.
