Type:	CASE DISCUSSION NOTE
Follow-Up Date:	
Comments:	Seeing as how we cant sync up a time to do the inspection, I requested proof of the welfare of the animals, mostly relating to food as per the complaint. The animals all still look in fair condition, with all the access to adequate shelter and clean water. The animals all have food, and there is a stockpile of food available. The owner says that while she does request donations for the food, she does also supplement the food herself and buys food for the animals. With this, and my last inspection done on the property, I believe there are still no welfare concerns. Therefore, this case can be closed, NFA
