Subject: Neglected dog at a Farm Stall in Mitchell's Plain

Good day

I would like to report a neglected dog.

It is a fawn colored, pittie, lab mix. (My description might not be accurate)

He is daily at a farm stall on the corner of Morgenster & Jakes Gerwel Roads. This is in Mitchell's Plain.

He is constantly tied up, with minimal shade.

I drive past & not able to see whether he has sufficient water, food, etc. While lying tied up each day, I question whether he receives any other stimulation.

Please please can an official investigate this poor fellows conditions .

Regards

Zeona
