Comments:	At approximatelty 18h15, i have calle. I called Manuel's wife to inquire about their decision regarding the kitchen. She explained that they've been struggling with the kitten, which they picked up from a dump site. She and her husband are attached to it and don't want to part with it. She mentioned they bought ointment for the dog's skin at a vet shop and I requested she forward the receipt to the SPCA WhatsApp number. She promised to send it before the end of today.
